Dear Mr Singh

It was a great pleasure to meet you and fellow members of The Sikh Forum International last month. Amanda Jones and I were absolutely delighted to be presented with the cheque of £32,000 representing 32 years of the Prince's Trust.

Since our President, His Royal Highness the Prince of Wales, established The Prince's Trust, over 500,000 disadvantaged young people have been helped to overcome barriers to employment, education or training. With his continual enthusiasm and vision we aim to help at least 40,000 more this year. Your generous donation will go a long way towards our achieving this.

On behalf of The Prince's Trust and the young people we work with I would like to thank you and your colleagues at The Sikh Forum International for supporting our work at such a vital time for the young people we help. It will make a great difference – thank you.

Yours sincerely

Julian Barrell
